

On Jul 20th, 2021, Workera awarded

## Dina Barcellos

this certificate in recognition of their skills identified as essential to the **Data Scientist** role.

### Assessment Performance

Verified Certificate ID: 4LL5OPEG

| Section                                                                                                                                                                                             | Score | Proficiency  | Percentile Rank* |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|--------------|------------------|
| Algorithmic Coding                                                                                                                                                                                  | 53    | Developing   | 63%              |
| Machine Learning                                                                                                                                                                                    | 58    | Developing   | 77%              |
| Deep Learning                                                                                                                                                                                       | 34    | Developing   | 34%              |
| Data Science                                                                                                                                                                                        | 68    | Accomplished | 88%              |
| Mathematics                                                                                                                                                                                         | 57    | Developing   | 68%              |
| Business Analytics                                                                                                                                                                                  | 67    | Accomplished | 34%              |
| Software Engineering                                                                                                                                                                                | 34    | Developing   | 23%              |
| Score scale: 1-100                                                                                                                                                                                  |       |              |                  |
